

Leadership Award Official Entry Form

Each Local Association Board is invited to nominate one of its members for the "NAPMW Leadership Award". Nominations from National Board Members, Region Board Members, or National Committee Chairs/Coordinators are also encouraged.

One of the many unique benefits the Association offers its members is the opportunity to learn and grow by gaining leadership experience through chairing or serving on a committee or serving as an officer at one of the Association's various levels – Local, Region, or National. The purpose of this award is to recognize a NAPMW member for her/his outstanding leadership achievements in NAPMW, in addition to encouraging other members to participate in a leadership role, which is crucial to the success of any organization.

The judges will select the award winner on or before April 1, 2010. The winner will be presented with an award at the Annual Meeting and Conference as well as have her/his name inscribed on a perpetual award that compliments the individual award and lists each year's Leadership Award winner.
