Make Your Next Move ...

The Institute of Mortgage Lending

THE INSTITUTE OF MORTGAGE LENDING

Make your next move and invest in your future today! Through the National Association of Professional Mortgage Women (NAPMW), the Institute of Mortgage Lending (IML) is designed to elevate professional standards, enhance individual performance, and designate those who demonstrate knowledge essential to the practice of mortgage lending. Offering the successful mortgage professional a commitment to career growth within the mortgage and banking industry, the IML is the mortgage and banking industry's finest source for professional development offering designation/certification programs and industry specific education.

THE MARK OF PROFESSIONALISM

The Institute of Mortgage Lending offers three professional designations: Graduate of Mortgage Lending (GML), Master of Mortgage Lending (MML), and Certified Mortgage Instructor (CMI). These designations recognize mortgage industry professionals who have demonstrated the highest levels of professional expertise and commitment to the profession.

THE GML DESIGNATION

The Graduate of Mortgage Lending designation provides mortgage professionals with a broad overview of the entire industry. Professionals who earn their GML will have an extensive knowledge of the history and impact the mortgage industry has had on the economy, major legislation that has affected the real estate

and mortgage lending markets, loan cycle key concepts, as well as current industry updates. The Graduate of Mortgage Lending is offered as a self-study course.

MML DESIGNATION

The Master of Mortgage Lending designation is for those mortgage professionals who enjoy the prestige that comes from being the best in their field. The Master of Mortgage Lending is a recognized and respected designation within the mortgage industry that exemplifies you have a solid foundation of knowledge and are proficient in the mortgage industry. You must complete the GML before you can proceed to the MML. The Master of Mortgage Lending is offered as a self-study course.

CMI DESIGNATION

The Certified Mortgage Instructor (CMI) designation is for mortgage training professionals who value integrity and professionalism within the mortgage industry. Those Certified Mortgage Instructor (CMI) designees will become part of a national network of dedicated and experienced training professionals who are committed to making a difference in mortgage education. To be eligible for the Certified Mortgage Instructor designation, you must first meet specific standards and instructional experience, plus attend an Instructor Development Workshop hosted at the NAPMW Annual Meeting and Convention or other NAPMW events. Exemptions provided to those who have been in the training industry for at least three years.
