### **NAPMW ANNOUNCES RENEWAL OF PARTNERSHIP**

**EDMONDS, Wash. – January 18, 2007** – The National Association of Professional Mortgage Women (NAPMW) announced today that Mortgage Guaranty Insurance Corporation will continue the Emerald Partnership with NAPMW that they secured in 2005.

NAPMW's corporate sponsor program, *Partners In Progress*, benefits mortgage professionals, and the industry, by directly providing support to the development of training and educational opportunities. Mortgage Guaranty Insurance Corporation has opted to repeat their participation level from the previous year maintaining their niche as the Campaign Night Sponsor during the Annual Convention, scheduled for May 15 – 20, 2007 in Orlando, Florida.

"Mortgage Guaranty Insurance Corporation has been a constant supporter of NAPMW over the years and I am pleased that they have decided to continue this year," said NAPMW National President Kathie Kosicki.

As a footnote, *Partners In Progress*, launched by NAPMW in June 2004, enables companies that recognize the value of NAPMW to show their support through this innovative partnership. Various levels of investment are available from as low as \$1,000 up to \$30,000 on an annual basis. Partners receive year round recognition and exposure through numerous communication channels designed specifically for showcasing the Partners.

#### **About NAPMW**

Comprised of 57 Local Associations across the country and approximately 3,000 members employed in all phases of the mortgage lending industry, NAPMW offers their members nationally recognized designations such as the Graduate of Mortgage Lending (GML), Master of Mortgage Lending (MML), and Certified Mortgage Instructor (CMI) that certify a professional's knowledge and capabilities. The National Association of Professional Mortgage Women serves all mortgage professionals who want to excel and employers who want excellence.
